

Churchill Club Presents the 13th Annual Top Ten Tech Trends

What The [Churchill Club](#), Silicon Valley's premier business and technology forum, today announced it will host the [13th Annual Top Ten Tech Trends](#) evening event.

The event, sponsored by Deloitte and SRI International, will deliberate what new trends will emerge in the next several years. Some of the technology industries' leading (and most opinionated) luminaries will take the stage to evaluate predictions for the years ahead. Visionaries at SRI International—the institute that has conducted \$4B in research in the last decade and spun out 40 ventures—have taken their best shot at predicting the biggest trends of them all. The distinguished panel will rate and debate the trends, and the live audience will be asked to agree or disagree.
