**About Churchill Club** The Churchill Club is an internationally-respected independent business and technology forum located in Silicon Valley, where CEOs, thought leaders, global business executives, innovators, and senior political leaders meet to discuss and debate, inform and educate, forecast and evaluate. Founded in 1985, the Club is known for its smart, provocative conversations on the most current leadership and innovation topics. Its 7,000 individual and corporate members include senior executives from market-leading companies, investors, and entrepreneurs. Recent speakers to the Club include Michael Dell, founder, chairman & CEO, Dell; Larry Ellison, founder, chairman & CEO, Oracle; Jim Goodnight, chairman & CEO, SAS; Michael Eisner, former CEO, the Walt Disney Company; Ursula Burns, Chairman & CEO of Xerox, Jeff Weiner, CEO of LinkedIn; and Reed Hastings, founder & CEO of Netflix. Further information about the Churchill Club, a 501(c)(3) organization, can be found at [www.churchillclub.org](http://www.churchillclub.org).

**About The Tech Museum** The Tech Museum is a hands-on technology and science museum for people of all ages and backgrounds. The museum-located in the Capital of Silicon Valley -is a non-profit learning resource established to engage people in exploring and experiencing technologies affecting their lives. Through programs such as The Tech Challenge presented by Cisco, our annual team design competition for youth, and

internationally renowned programs such as The Tech Awards presented by Applied Materials, Inc., The Tech Museum celebrates the present and encourages the development of innovative ideas for a more promising future.
